"I cannot imagine a more supportive place than Chestnut Ridge. You challenged my child to step outside of his comfort zone and he grew in leaps and bounds because of this experience. He loves the CR staff and feels that he is safe and loved when he is at camp."  
-Chestnut Ridge Camper Parent

"Staff was friendly, outgoing, and enthusiastic. It was very clear they'd been well-trained and all truly loved working at camp--that filtered down to the campers!"
